

ROBERT TURRIN, CPM

SENIOR PROPERTY MANAGER

PROFESSIONAL BACKGROUND

Throughout Robert Turrin's 34-year career, he has managed a diverse portfolio of commercial properties, including the South Campus Gateway and Westland Mall. As a Senior Property Manager for NAI Ohio Equities, Robert was selected to oversee the management of this historic Lazarus building in downtown Columbus – a one-million-square-foot department store which was converted into a Class A office building and is considered one of the largest USGBC LEED Gold Certified buildings in the nation. Robert's vast experience with various ownership entities ranging from small sole proprietors to large institutional organizations and public government entities has distinguished him from his peers. Robert leads the Lazarus team, including the coordination of all management and maintenance activities, as well as handling tenant relations where he teams with brokers to maximize rents.
