Dean C. Ringle, P.E., P.S., County Engineer

Stelzer Road Widening and Reconstruction

Managed by the Franklin County Engineer's Office

Location: North of I-670 to just south of Foraker Road.

Description: Widening of Stelzer Road from two to five lanes (two lanes in each direction and a center turn lane); widening of Agler Road east and west of Stelzer Road; widening of all side streets at their intersection with Stelzer Road; construction of storm and sanitary sewer lines, curbing, gutters, and sidewalks; installation of new traffic signals, signage, and street lighting.

Status: Landscape and traffic signal work will continue through the fall.

Traffic: All lanes of Stelzer Road and Agler Road are open to traffic.

Contractor: Savko & Sons, Inc.

Cost: \$11.4 million funded by the Franklin County Engineer, The Federal Highway Administration, and Ohio Public Works Commission.

Scheduled Completion: December 2007.
