Joe is a Certified Commercial Investment Member, which is widely recognized as signifying the leading experts in commercial investment real estate. Previously he worked as a Certified Real Estate Appraiser within the Central Ohio Market, which gives Joe a unique analytical approach to evaluating real estate.

Joe is responsible for handling all aspects of buying, selling and/or leasing commercial real estate for a diverse range of clients. He specializes in buyer and tenant representation, the sale, lease or acquisition of industrial and office space, investment properties as well as undeveloped land deals. Joe's approach to real estate is centered on forming long-lasting partnerships with clients to achieve their business and real estate goals.
